

Caregiver Job Description

We are seeking an attentive and trustworthy caregiver to join our staff in providing excellent care to our clients. The caregiver will plan and follow a daily care schedule with clients, modify care plans as prescribed by medical professionals, and report on any new conditions or needs that may arise.

To succeed as a caregiver you should be patient, empathetic, and have strong people skills. You should be observant and committed to making your client feel safe and comfortable.

Caregiver Responsibilities:

- Assisting with personal care, which may include bathroom functions, bathing, grooming, dressing, and eating.
- Following a prescribed healthcare plan, which may include assisting with exercise and administering medication.
- Ensuring the client's home is organized according to their needs and that safety measures are in place. You may also be expected to assist with some light housework.
- Providing emotional support and encouragement to perform necessary tasks.
- Providing mobility assistance may be required, for example helping the client in and out of bed, a chair, or a wheelchair.
- Transporting or escorting the client to medical and other appointments.
- Monitoring and reporting changes in health, behavior, and needs.

Caregiver Requirements:

- A high school diploma is required.

- Further education may be beneficial.
- Job experience and CPR training may be necessary.
- A driver's license may be strongly desired.
- A professional and friendly attitude.
- A willingness to work flexible hours, which may include night shifts.
