

## **Job Description**

[CompanyX] was founded on a simple belief: snack food should be tasty, healthy, and affordable. Today, our wholesome goodies have redefined the meaning of snack food. We're currently looking for a Material Handler to join our warehouse team. The right person for this role will be comfortable on their feet (they'll be standing/walking for at least 90% of their shift), eager to pitch in whenever extra help is needed, and passionate about the [CompanyX] brand.

## **Objectives of this Role**

- Handle materials in a safe and orderly manner
- Assist with the timely fulfillment and delivery of products
- Work with team members to meet set goals
- Contribute to a company culture that champions diversity, appreciates creativity, and facilitates innovation

## **Daily and Monthly Responsibilities**

- Load and unload pallets and individual cases to and from trucks, as well as collecting empty pallet boards and carrying them to storage
- Pick appropriate cases according to order, using required technology
- Safely operate a forklift (following appropriate training)
- Assist in weekly product inventory
- Perform general housekeeping and sanitation tasks

## **Skills and Qualifications**

- 18 years of age or older

- Ability to lift more than 30 pounds without assistance
- Able to stand or walk for extended periods of time
- Able to climb, bend, reach, stoop, kneel, and stretch for extended periods of time
- Willing and able to work at heights, using ladders or lifts

## **Preferred Qualifications**

- Able to communicate effectively with team members
- Willing to put in the work to make our mission a reality
